# Prominent Paints Professional Profile

Introducing Prominent Paints **Professional Services**.

## BEYOND COLOUR

Welcome to Prominent Paints Professional – the epitome of **dedicated partnership**, excellence, and a promise that transcends colour.

At Prominent Paints, we redefine your project journey with a commitment that goes beyond colour choices. We are your dedicated partners from project inception to completion, offering expert advice, technical support, and a service as smooth as your final coat of paint.

Experience excellence that surpasses expectations. Our inspired innovation, advanced technology, exceptional quality, and extensive expertise are what set us apart. From initial site inspections to on-site training, we're not just suppliers, we're your trusted allies in creating remarkable spaces. With Prominent Paints, anticipate nothing less than excellence in quality, innovation, and professional services.

Choose Prominent Paints Professional – where the promise is more than paint, it's a **pact of unparalleled partnership and excellence**.

QUALITY | INNOVATION | PROFESSIONAL SERVICES | EXPERTISE | SUPPORT | COLOUR

# Prominent Paints Professional Pact

Redefining your project journey with the **Prominent Paints Professional Pact**.

## ABOVE AND BEYOND

When facing the diverse coating demands of a new project, entrust your success to Prominent Paints. We pledge to deliver not just superior products, but also unwavering expertise, steadfast support, and absolute peace of mind – from the first draft plan to the final sign-off.

Our commitment extends beyond exceptional products. We adhere to the rigorous standards of **SABS ISO 9001** and **Greenstar Office** rating. This is the foundation of the Prominent Paints pact.

## PRELIMINARY SITE INSPECTION

Our specifiers conduct **on-site assessments**, and meticulously consider drawings, buildings, environment, and location. This initial step is pivotal in tailoring our approach to your project's distinct needs.

## TECHNICAL SPECIFICATION DOCUMENT

From the preliminary site inspection, we pinpoint optimal products, paint systems, and colour choices for enduring protection and enhanced aesthetic appeal. Your **tailored specification document** conveniently contains these technical details, ensuring a roadmap for your success.

## REGULAR SITE EVALUATIONS

We stand with you at every step, to **ensure quality outcomes**. We track project processes, assess workmanship, and receive detailed site reports covering surface preparation, systems used, moisture content, film thickness, and deviations, and we provide problem-solving recommendations.

## ON-SITE TRAINING

Larger projects benefit from our **free on-site training** through our Technical and Training department which promotes, optimal painting techniques and ultimate product application.

## PEACE OF MIND ASSURANCE

- **Paint Film Warranty:** Provided on selected products for specific periods, subject to correct specifications.
- **Free Quality Assurance Service:** Available for higher-value trade projects, featuring site inspections by an independent third-party.
- **Frequent Inspection Reports:** Available for warranted projects, offering frequent third-party inspection reports for added peace of mind.
- **Paint Film Warranty Certificate:** Issued within 30 days of project completion, sealing our commitment to your project's lasting success.
